

WAVERRUNNERS

2024

RUN THE

The highly anticipated 2024 lineup of Yamaha WaveRunner® Personal WaterCraft features a rich blend of never-before-seen technology and beloved favorites that will ignite your passion for water adventures. Embark on thrilling journeys with our all-new customizable drive modes, exclusively available on the FX models, granting you unparalleled control and exhilaration. Now flaunting an all-new 1.9 Liter High Output Yamaha Marine Engine on select models, pure joy is only a throttle-pull away. With our latest lineup, we've curated everything you need to kickstart your adventures and embrace the freedom to #RunTheWater™ like never before.

WHY YAMAHA

Discover why boaters continue to choose
Yamaha WaveRunners over other brands.

#1 MARINE ENGINE BRAND IN THE WORLD

UNMATCHED POWER AND PERFORMANCE

Yamaha has been building marine engines for over 65 years with
an unrivaled reputation for reliability, durability, and performance.

BEST REPUTATION FOR RELIABILITY AND DURABILITY

YAMAHA WAVERUNNERS ARE THE #1 CHOICE

Due to Yamaha's world-class engines, use of high-quality materials and components, and commitment to continuous improvement, Yamaha WaveRunners continue to be the first choice for rental operators.

ASSEMBLED WITH PRIDE IN THE USA

MANUFACTURED IN NEWNAN, GA

The Yamaha assembly process is a model of precision and excellence. No detail is overlooked, and no unit leaves the factory floor until it achieves the meticulous quality control requirements that set the highest standards in the personal watercraft industry.

WORLD CHAMPION ENDURANCE RACING HERITAGE

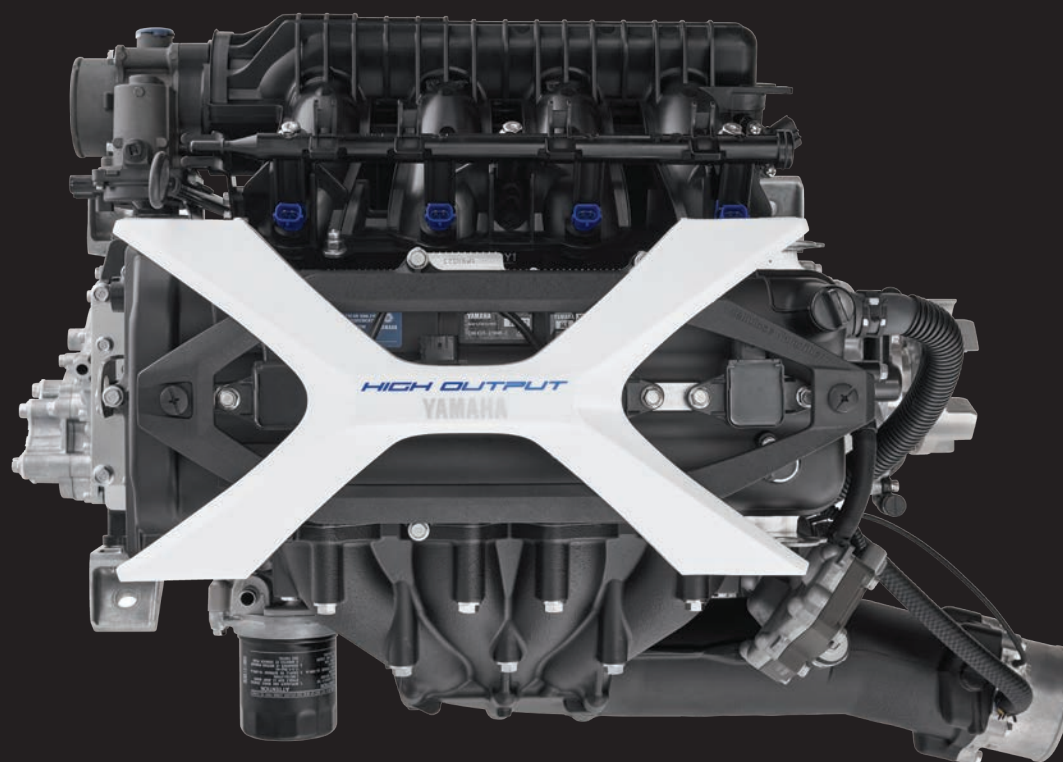

RACE-PROVEN PERFORMANCE & DESIGN

Yamaha is the winningest brand in professional PWC endurance racing history, winning more national and world championships than all other PWC brands combined. This is a testament to Yamaha's focus on reliability, durability, and performance.

PROFESSIONAL RIDERS ON A CLOSED COURSE

INTRODUCING THE ALL-NEW
1.9L HIGH OUTPUT
YAMAHA MARINE ENGINE

Introducing the all-new 1.9 Liter High Output Yamaha Marine Engine. Replacing the Yamaha 1812cc High Output motor, Yamaha's new engine is more powerful, while providing a quicker and smoother acceleration and a higher top speed.

BENEFITS

IMPROVED PERFORMANCE	EASE OF MAINTENANCE	MODERN APPEAL
+ Quicker acceleration	+ New design moves electronics inboard for better protection during service procedures	+ Black coating added to engine cover and exhaust manifold for sleek look and corrosion resistance
+ Higher top speed through increased displacement and optimized intake		
+ Smoother, quicker throttle response due to removed taper on throttle body	+ Reduced fastener count and newly designed engine parts	+ First Yamaha-manufactured part to include plant-derived cellulose nanofiber (CNF) touting excellent material recyclability and reduced use of plastics
+ 10% larger throttle body for more power and torque	+ Easier-to-access crankcase anode and new intake manifold design with long runners and flatter outside shape for easier engine removal	

SPECIFICATIONS

TYPE	INTAKE	DISPLACEMENT
4-Cylinder, 4-Stroke, 16-Valve	Naturally Aspirated	1898cc
COOLING	FUEL GRADE	OIL CAPACITY
Open Loop	Regular Unleaded	2.6L

AVAILABLE ON SELECT MODELS IN THE VX, FX, AND GP SERIES

VERSATILITY ON THE WATER

Experience the full potential of your Yamaha WaveRunner with the expansive RecDeck™. Seamlessly integrating the swim platform and reboarding ladder, the RecDeck offers unrivaled customizability, allowing you to personalize your watercraft for every outing. Whether you're fishing, tubing, sunbathing, or embarking on any water adventure, the 2024 lineup introduces exciting new packages and accessories, including an all new RecDeck Shade Kit and vibrant color-matched mats that add a touch of flair to your ride. With Yamaha's RecDeck, endless fun and tailored adventures are just around the corner.
